Chittur-Tattamangalam Co-operative Society.

291. K. T. Mathew:— Will the Government be pleased to state with reference to Question No. 154 dated 8th August 1934:—

(a) whether the amount of Rs. 15,369 written off from Dividend Fund or Reserve Fund;

(b) whether there is any rule to write off such amounts from Dividend Fund; and if so,

(c) what is that rule;

(d) whether theamount should not have been, if necessary, written off from Reserve Fund rather than from Dividend Fund;

(e) whether the Registrar of Co-operative Societies was present at the meetingthat decided to write off the amount ?

Rama Varmha Tampuran:— (a) This is the amount sanctioned by the General Body to be written off from the Dividend Fund and approved by the Registrar, but the write off has not actually been effected in the accounts of the Society.

(b) There are no such rules; but the resolution of the General Body which is the ultimate authority in such matters was to that effect.

(c) No answer is necessary in view of answer to (b).

(d) In the present case, it is more appropriate to write off the amount from the Dividend Fund, as it was the accumulation of interest on over-due and irrecoverable loans, and as Dividend Fund is meant for distribution among the share-holders.
